CONGRATULATIONS AND THANK-YOU

It has been a wonderful year at Trenton Christian. We had the opportunity to remember and celebrate our 60th Anniversary with students, staff, alumni and supporting community. God is Good!!

At the beginning of each school year we look forward to welcoming new and returning students and their families. It is great to see how these students learn, play and work together throughout the year; as they develop new relationships and demonstrate growth in their academic, physical, social and spiritual areas. Congratulations to all the students with another successful year of learning and growing at TCS. On behalf of the students and all the staff, thank-you so much to all the families and the supporting community for your continued support through prayers, words of encouragement, time in the classroom or on class trips.

In particular we would like to acknowledge and say a special thanks to the following families who's youngest child is graduating from TCS:
