THEME: We are His

"1 John 3:1

"See what great love the Father has lavished on us, that we should be called children of God! And that is what we are! The reason the world does not know us is that it did not know him."

From the PrincipAL's Office:

Learn Together...Play Together...Pray Together

Play is natural. It is a gift. Play is celebration, an outer evidence of the inner joyous nature of a person created in the image of God. Play is also an attitude, a state of being rather than simply a set of activities. This attitude of play can lead to actions that reflect the joy of living in the Lord.

On Friday, September 29th the staff and students of TCS will have the opportunity to participate in our annual Co-Operative Games/Fun Day. Our students have been placed into one of our seven House Groups (having students from each grade level). During the 11:00am-3:00pm (with some breaks for water and lunch) the groups will move through various fun group games. Each station will be planned and led by our grade eight student leaders. Please make sure your child/children have the proper footwear and clothing for some fun and rigorous outdoor activities.

"Let's Learn, Play, Pray Together All Our Lives".

POLICE CHECKS— Coming home this week are police check forms for both parents. We require everyone to do a check if you plan on going on a field trip some day. Please complete the forms and take them to your local OPP office and when you get them back just send them into the school office.
